NC Applicants / Employees: North Carolina law states that you will be notified in writing within thirty (30) calendar days by your company of any verified positive result. You also have the right to have your specimen re-tested anytime within the next ninety (90) days if you believe your test result is incorrect. Note that the same specimen is re-tested, not a fresh specimen. Re-testing of your specimen will result in a minimum \$150 charge, which must be pre-paid to WOLFE, Inc. by money order prior to the re-test being performed.
